Frequently Asked Questions

Can I bring my own food? What are your catering services?

You are allowed to bring in your own food, just please make sure all items are prepared off-site. If you are interested in utilizing our food services we have two options for you. First, our Premium Package (New Holland location spaces exclusively) offers hot menu items. To see more details on what is offered, go to the corresponding package & pricing descriptions page. Secondly, our catering services can be paired with the Room Rental, Limited Bar, or Open Espresso Bar packages at any location and offer wraps, cold sandwiches, fruit/veggie trays, pastries and a variety of other items. The second would be the most cost effective! Please let us know if you are interested in our catering and a menu will be sent to you.

Do you provide cutlery?

We provide plates, napkins, cups, and utensils for any food or drink item that we provide for your event. If the catering is coming from New Holland Coffee cutlery will be supplied. All drink packages come with corresponding cups, creamers, sugars, etc. We **do not** provide plates, napkins, or utensils for other catering services or food the host brings in.

Do you allow alcohol?

New Holland Coffee Company does not serve alcohol. However, if guests are over the age of 21, you are welcome to bring your own alcohol for the event. We do not have insurance coverage for the use of alcohol and do not assume any responsibility for its use. All alcoholic beverages are to be dispensed into plastic cups or glasses. No cans or bottles are to be served. Please let us know ahead of time if you are planning on bringing your own alcohol. Alcohol shall not be permitted at events at which youth are the focus or dominant in attendance.

Do you allow decorations?

Decorations are welcome! However, please do not put tacks or nails in the fireplace or walls. Please be aware that most of our interior design at each location is brick and stone so taping may not work. Approved methods of hanging items include painters tape and command stips. Since there is also a small window of time for decorating, we recommend you bring your decorations prepared and easy to set up. The use of candles or any other type of open flame is prohibited.

Do you provide time for setup and cleanup?

We offer a complimentary 45 minute set-up/clean-up time. Whatever amount of time you are occupying the space we will deduct 45 minutes from your total time and then charge accordingly. You may use all 45 minutes for setup or split that time between setup and cleanup. Our recommendation is to use either all 45 minutes for setup or use 30 minutes for setup and 15 minutes for cleanup. Staff will be available to help with setup and will stay for the duration of the event to answer any questions that may arise.

What does setup entail?

If provided with layout preferences ahead of time the New Holland Coffee staff member will prepare the room layout ahead of time. The staff member will also do a thorough cleaning of the space before the host arrives, so we ask the host not to arrive earlier than the time arranged. The host is responsible for setting up all personal decor and food brought in.

What does cleanup entail?

The New Holland Coffee staff member will take care of sweeping, moping, trash removal, and the rearranging of furniture. The host is responsible for cleaning up the items they brought with them including but not limited to gifts, decor and food.

What are the next steps to booking?

Once your date is confirmed, we request a $150.00 deposit to hold the date for your event. The deposit is nonrefundable but will be used towards your total event booking. If you are interested in booking, let us know and we will send you a contract/CC form to fill out to take care of the deposit.
